**Re:** Committee Chair Mailing List Update

---

Greetings from the General Service Office!

We are writing to let you know that G.S.O. has just started the process of updating the **service committee mailing lists** in our Fellowship New Vision (FNV) database of trusted servants which we expect will lead to the best possible communication.

G.S.O. is contacting each district and intergroup/central office committee chair for the following committees. Email or postal communication is being sent to:

- Accessibilities
- Accessibilities on Cooperation with the Elder Community
- Archives
- Bridging the Gap
- Cooperation with the Professional Community
- Corrections
- Hospitals and Institutions
- Literature
- Public Information
- Remote Communities
- Treatment

We are requesting that all committee chairs review and confirm or change their information as currently listed in FNV by **August 18, 2017 for email recipients and September 8, 2017 for postal mail recipients.**

**If we do not get a response by the deadline, the name of the recipient will automatically be removed from that service committee mailing list.**

Please do not hesitate to contact us with any questions or concerns. Sending warm wishes!

Yours in fellowship,

Racy J.
