

District 0670/0680 Meeting

February 2, 2022

No one showed up to the Virtual District Meeting. The following is an update email to the GSRS for the 7AM Daily Group, Saturday Night Live and Way Out On Zoom Group.

Hi everyone!

I was hoping that you all would show up for the Ithaca District Meeting tonight. Since no one did, I will let you all know a few things that happened at the Ithaca Intergroup Meeting that I attended last night.

I had a few minutes to bring up the idea of sharing the monthly District Meeting Minutes with the Ithaca AA Community. We discussed last month at the District Meeting about the possibility of somehow posting the District Meeting Minutes on the aithaca.org website. I brought this up, along with the possibility of Posting the Area 47 Assembly Monthly Meeting Minutes as well. Dave Matthews is currently the Area 47 Website Master(?) and offered to post the District Meeting Minutes on the 600 District webpage that is on the Area 47 Website. I thought that would be a good idea.

So what would happen would be a link to the Area 47 Website for the Area 47 Meeting Minutes, along with password (which is Minutes) and a link to the District 600 page on the Area 47 Website for the District Meeting Minutes that will be posted there, would be on the District/Area/GSO Page on the aithaca.org website.

Along with that, I have two documents that can be posted as announcements for new GSRS for Home Groups and a New DCM for the Ithaca District.

My hope is to get more involvement from more Home Groups in the Ithaca Vicinity at District and Area Assembly.

I hope that you all are well.
