As of 12/21/2021
178 Items

Below is a list of items that have been submitted for the Conference Agenda. These proposed items are not the final agenda items for the Conference committee agendas. These proposed items will be reviewed by trustees' committees, the A.A.W.S. or Grapevine Boards, or other trusted servants who may forward them to a Conference committee, keep them at the Board level for additional background and consideration, or route them to A.A.W.S. or AA Grapevine. The final list of Conference committee agenda items will be published separately.

Item	Date Received	Proposed Item	Reviewed by	Status
1	2/8/21	Consider providing all its Conference members the General Service Conference "background" material in our three official languages at the same time, allowing for all its Conference members equal opportunity and time to be prepared, and therefore well informed.	Trustees' Committee on the General Service Conference	Took No Action: A forthcoming survey on the translation of Conference material may provide better perspective on the topic going forward, especially considering that timing versus the exact replicating of material might be worth a careful review of the process as a whole. The committee will also consider the impact of the plan Equitable Distribution of Workload Process on translations.
2	2/8/21	Consider that when communicating with all its conference members, before and after, as well as throughout the year. That all information, shared documents, presentations, including other forms of written communications (emails, for example) be sent to Conference members, in our official three languages, eliminating the need to request a French or Spanish translation for any of the above material.	Trustees' Committee on the General Service Conference	Took No Action: The translations of these Conference "assignment" materials are being distributed simultaneously with a focus on equity for all Conference members.
3	10/4/20	That service material be developed, collecting shared experience from the AA fellowship with best practices using virtual technologies [such as Zoom, et.al.] to carry the AA message.	Chair of trustees' Committee on the GSC, Director of Staff Services, Conference Staff	Not forwarded to the Conference: Based on the nature of the request it <i>does not rise</i> to the level of a proposed agenda item for the General Service Conference due to the following reason, "G.S.O. does develop some literature that <i>does not have to be approved by the Conference</i> , such as <i>Service Material</i> , Guidelines and bulletins."
4	11/2/20	Consider that all service pieces should go through the conference approval process.	A.A. World Services	Tabled; Responded to Submitter: Further discussion is needed
5	11/27/20	Consider that the General Service Conference of Alcoholics Anonymous implement a ten year trial period alternating face-to-face with virtual General Service Conferences, to commence after current hotel contractual obligations are met.	Trustees' Committee on the General Service Conference	Took No Action: Cost-saving approaches ways to using virtual technology wherever effective are topics being considered by a subcommittee on Conference Improvement.

*May include items submitted for a previous year, but still under consideration by a trustees' committee.

Item	Date Received	Proposed Item	Reviewed by	Status
6	12/11/20	Consider the addition of "One Day at a Time" to the set of five slogans the AA Grapevine currently has for purchase (MS-04).	A.A. Grapevine	Pending; Responded to Submitter: This matter is currently under management's review for implementation.
7	12/7/20	Consider including more information in the Conference Final Report to allow for an understanding of which final agenda item is being addressed by a Conference committee.	Chair of trustees' Committee on the GSC, Director of Staff Services, Conference Staff	Not forwarded to the Conference: Forwarded to G.S.O.'s Publishing Department. This item is more of a suggestion and does not rise to the level of a Conference agenda item.
8	12/15/20	Discuss how attention to and use of the Meeting Guide app, along with undervaluing Group Directories, has added to confusion about the difference between Groups and meetings.	A.A. World Services	Tabled; Responded to Submitter: Further discussion is needed
9	12/15/20	Consider changing the New Group and Group Change forms to include listing how the Groups' meetings are accessed.	Chair of trustees' Committee on the GSC, Director of Staff Services, Conference Staff	Not forwarded to the Conference: The trustees, corporate directors and staff bring together years of experience in A.A. service in making decisions about the appropriate process or disposition of proposed Conference agenda items. This suggestion will be sent to our Group Services Assignment for consideration.
10	12/15/20	Request sharing from the Fellowship about using various "virtual" baskets - especially in terms of our Traditions, to ensure our Conference-approved literature and service pieces reflect our Fellowship's experiences and principles.	A.A. World Services	Tabled; Responded to Submitter: Further discussion is needed
11	12/15/20	Have a discussion around online contributions accepted by the General Service Board from individuals (either one-time or recurring).	A.A. World Services	Took No Action: The Self-Support Subcommittee included this idea in a list of suggestions offered to develop questions to collect shared experience from the Fellowship.
12	12/15/20	Move the General Service Board of Alcoholics Anonymous to secure the URL "AlcoholicsAnonymous.com."	A.A. World Services	Took No Action: The office will review this item that "All members of the General Service Board be provided and encouraged to utilize email addresses with the domain aa.org when conducting the business of Alcoholics Anonymous" with the A.A.W.S. board in the June 2021 meeting in conjunction with the other item from Area 13 regarding the alcoholicsanonymous.com url.

Item	Date Received	Proposed Item	Reviewed by	Status
13	12/16/20	All members of the General Service Board be provided and encouraged to utilize email addresses with the domain aa.org when conducting the business of Alcoholics Anonymous.	G.S.O. Management	Forwarded to G.S.O. Administration: This suggestion is an Operational suggestion, not a policy-level issue for the General Service Conference. It is being sent to G.S.O. Administration for consideration.
14	12/15/20	Grapevine and La Viña provide the option to receive the "Daily Quotes" via text message.	A.A. Grapevine	Pending; Responded to Submitter: This matter is currently under management's review for implementation.
15	6/20/21	Consider that a pamphlet entitled "Experience, Strength and Hope: AA for the Transgender Alcoholic" be produced.	Trustees' Committee on Literature	Took No Action: Due to the overwhelming number of pamphlets currently in development or in revision, as well as the projects carried over from the 70th and 71st General Service Conferences, new pamphlet requests cannot be addressed at this time.
16	6/24/21	Consider that a pamphlet entitled "Experience, Strength and Hope: AA for the Spanish-speaking LGBTQ Alcoholic" be produced.	Trustees' Committee on Literature	Took No Action: Due to the overwhelming number of pamphlets currently in development or in revision, as well as the projects carried over from the 70th and 71st General Service Conferences, new pamphlet requests cannot be addressed at this time.
17	7/5/21	Consider moving the placement of the following (full) paragraph on page 86 of the book, Alcoholics Anonymous to page 85 above the italicized wording Step Eleven. The reason for this request is that this paragraph seems to be in the wrong place in the chapter, as it is a 10th step suggestion and not part of Step Eleven. "When we retire at night, we constructively review our day. Were we resentful, selfish, dishonest or afraid? Do we owe an apology?...After making our review we ask God's forgiveness and inquire what corrective measures should be taken."	Trustees' Committee on Literature	Under consideration by trustees' committee
18	7/11/21	Consider adding an agenda item to discuss online meetings and whether they are upholding or violating our traditions during the 72nd General Service Conference.	Trustees' Committee on the General Service Conference	Took No Action: There is no central authority, whether groups meet in-person or online, to review their practices to see whether or not they are violating any Traditions.

Item	Date Received	Proposed Item	Reviewed by	Status
19	7/28/21	Consider referencing the pamphlet "The A.A. Group...Where it All Begins" in the Foreword of the 5th Edition of the Big Book.	Chair of trustees' Committee on the GSC, Director of Staff Services, Conference Staff	Not forwarded to the Conference: Forwarded to G.S.O.'s Publishing Department
20	12/11/19	That the General Service Conference consider presenting the A.A. program of recovery as outlined in the book Alcoholics Anonymous in a digital format, (such as but not limited to podcasts), to be made available online, in accordance with all AA Traditions.	Trustees' Committee on Literature	Took No Action: Digital material production is incorporated in the Publishing department's ongoing plan to provide literature in accessible formats. The committee also noted related efforts such as the Comprehensive Media Plan and podcasts.
21	12/15/20	Consider rewriting portions of "The A.A. Group" pamphlet to better express the importance of the Group as a "spiritual entity" as stated in the Long Form of Tradition Five.	Trustees' Committee on Literature	Forwarded to the Conference
22	12/15/19	Consider adding the G.S.R. Preamble to the pamphlet G.S.R.: Your Groups Link to A.A. As A Whole (P-19).	Trustees' Committee on Literature	Forwarded to the Conference
23	12/12/19	To help carry the message of the importance of A.A. service, and to reinforce the idea that service is for every A.A. member; it is recommended that the Service Sponsorship section in the pamphlet Questions & Answers on Sponsorship (P-15) be expanded, and that the pamphlet be retitled to include Service Sponsorship.	Trustees' Committee on Literature	Forwarded to the Conference
24	12/15/20	Consider changing the language found in the pamphlet entitled, "The A.A. Group" (P-16) pamphlet, page 29, question 9.	Trustees' Committee on Literature	Forwarded to the Conference
25	8/9/21	Create a Big Book Workbook to assist in understanding and accessing the content.	Trustees' Committee on Literature	Took No Action: The committee requested that these observations inform a future progress report from the TABB subcommittee.
26	8/9/21	That work on the Plain Language book, Alcoholics Anonymous (Fourth Edition), be discontinued and that the Advisory Action to develop this book be reconsidered by the 72nd General Service Conference.	Trustees' Committee on Literature	Took No Action: Oversight of the development of the plain language of the book is within the scope of the TABB subcommittee. The committee requested that these observations inform a future progress report from the TABB subcommittee.

Item	Date Received	Proposed Item	Reviewed by	Status
27	9/15/21	Consider a motion to produce a pamphlet to replace Circles of Love & Service (similar to the example submitted) with a more 'current' perspective to the benefit of AA members being involved in all three legacies.	Trustees' Committee on Literature	Took No Action: Due to the overwhelming number of pamphlets currently in development or in revision, as well as the projects carried over from the 70th and 71st General Service Conference, new pamphlet requests cannot be addressed at this time.
28	9/15/21	We move that the General Service Conference authorize formation and operation of an ad hoc committee that would evaluate whether AA could use virtual/digital meeting technology or other approaches to improve unity, transparency, accountability, and effectiveness in the Conference process and throughout the General Service structure.	Trustees' Committee on the General Service Conference	Took No Action: Using virtual technology wherever effective is a topic being considered by a subcommittee on Conference Improvement.
29	9/14/21	The General Service Conference develop a plan and implement an easier method and process to accommodate and encourage an increase in areas, regions, and corporate structures which will meet the increase in AA membership and number of groups which will satisfy Warranty VI "of being more democratic in thought and action."	Trustees' Committee on the General Service Conference	Took No Action: This topic is within the scope of areas to decide whether or not it's best if they split into additional areas.
30	9/13/21	An Ad-hoc Literature Sub-committee for World participation. A sub-committee of the Conference Literature be created to allow by representation all non-US/Canada members, groups, general service structures, and where necessary intergroup structures, to participate in reaching decisions to change any of Bill W's writings by this conference. And the following documents be restored to their original printing with footnotes and endnotes as detailed by Bill W in the Introduction to "The Twelve Concepts for World Service". These documents are: "Alcoholics Anonymous", "The Twelve Steps and Twelve Traditions", "Alcoholics Anonymous Comes of Age", "The Twelve Concepts for World Service", "The Original 1955 "Conference Charter", the "1955 Resolution", and "The Warranties". Any such changes will be subjected to the 3/4 qtrs. vote by the worldwide fellowship as outlined in the 1955 Resolution.	Trustees' Committee on the General Service Conference	Took No Action: The committee acknowledged that the U.S./Canada General Service Conference advisory actions may have impact on worldwide efforts to carry the message through A.A. literature. The committee also noted there is not delegated authority for the U.S./Canada General Service Board to make decisions affecting groups on an international level. Numerous requested changes to Bill W.'s writings in A.A. literature would undo a number of past advisory actions and contradict the recent acknowledgement and acceptance on the A.A.W.S. print policy.
31	9/13/21	The General Service Conference create a Long Range Planning Committee to handle concerns of this nature. Note: Two current examples could be the response to the covid crisis, and the new computer systems unification process. A future problem that needs to be addressed is the conference need to have a plan in place if a reorganization of the board ever occurs as such a board would have to be in place at the conclusion of that conference as the Conference Charter directs.	Trustees' Committee on the General Service Conference	Took No Action: There are numerous mechanisms in place addressing the need expressed, including the trustees' Committee on the General Service Conference and the three corporate Boards which conduct strategic planning.

32	8/27/21	All changes to The AA Service Manual combined with the Twelve Concepts for World Service, beyond those allowed by the "Policy on Publication of Literature; Updating pamphlets and other A.A. Materials" be approved by the General Service Conference, and that future updates continue to include the black change bars to indicate changes from the prior edition, and the list of changes and their source be retained in each edition.	Trustees' Committee on the General Service Conference	Took No Action: The current process of Conference approval for these items and the approach to tracking changes are effective and are the result of previous advisory actions of the General Service Conference.
33	8/9/21	Consider that all literature published by AAWS at next printing leave out the AA preamble which is a copyright of AA Grapevine Inc.	Trustees' Committee on the General Service Conference	Took No Action: This action would be contrary to numerous advisory actions approving A.A.W.S. literature items that include the A.A. Preamble. The committee also noted that the Preamble serves as a great introduction to A.A. and is helpful to have included in the pamphlets.
34	8/31/21	Request the A.A. Grapevine Board of Directors in cooperation with the A.A. Grapevine Board of Editors publish The Little Big Book as a simplified language workbook. This workbook discusses the Twelve Steps, the Twelve Traditions, the Twelve Concepts, and the Six Warranties in clear and easy to understand language. (The authors of this work are not locked into this title. We simply started to use it as a point of reference when we were discussing our efforts.)	A.A. Grapevine	Took No Action: To avoid duplicative efforts with a request already approved by the G.S.C.
35	9/1/21	That the General Service Conference consider a proposed Agenda Item to produce the Service Manual, including the 12 Concepts, in a compact disc (CD), audio format, as has been done for the 12 and 12 and the book, Alcoholics Anonymous.	A.A. World Services	Took No Action: Format changes are within the purview of the A.A.W.S. board. The request was sent to Publishing department for consideration.
36	9/9/21	That the plain language Big Book approved for development at the 2021 GSC be produced as a "side-by-side" with the original text on the left page and the plain language, inclusive translation on the right.	Trustees' Committee on Literature	Took No Action: Oversight of the development of the plain language of the book is within the scope of the TABB subcommittee. The committee requested that these observations inform a future progress report from the TABB subcommittee.
37	9/9/21	Once the draft of the translated 4th edition of Alcoholic Anonymous into plain and simple language is complete, a copy be submitted to all current registered groups in order to be voted on for publication and printing. This would be done to ensure this version is staying within our singleness of purpose and due to the fact, this publication will affect AA as a whole.	Trustees' Committee on the General Service Conference	Took No Action: The current process of Conference approval for these items and the approach to tracking changes are effective and are the result of previous advisory actions of the General Service Conference.

Item	Date Received	Proposed Item	Reviewed by	Status
38	9/14/21	That no action be taken on all requests for revisions to the portions of the Big Book covered by the 1995 Advisory Action and all sections of Twelve Steps and Twelve Traditions until the General Service Conference deems that business meetings of AA groups and the interaction between AA groups and their GSRs have returned to normal after the Covid 19 pandemic. This shall not apply to revisions to restore sections of Twelve Steps and Twelve Traditions to their original pre-Covid status.	Trustees' Committee on Literature	Took No Action: The trustees' Literature Committee requested that the 2022 Conference Committee on Literature discuss changes to the text of the book, <i>Twelve Steps and Twelve Traditions</i> directed by the 71st General Service Conference.
39	9/10/21	That ALL actions, motions, considerations for changes to literature or any and ALL Alcoholics Anonymous business be put to lengthy tests of All 12 Concepts and 12 Traditions and the wishes of the members of Alcoholics Anonymous. Always remembering our primary purpose and put aside all prejudice.	Trustees' Committee on the General Service Conference	Took No Action: The current Conference process includes applying the principles reflected in the Traditions and Concepts to considerations for literature changes.
40	9/10/21	We submit this agenda and make the motion that the following listed books be preserved in whole as they are today, except for parts listed and noted for the books below, and that this motion is for now and forever concerning these books. 1. The book of Alcoholics Anonymous - the whole book except as noted in the following: a. Personal stories that are added or removed are another process (not addressed in this motion) b. Forwards to new editions that are added with each new printing (not addressed in this motion) c. Updating numbers concerning members and groups numbers listed in * notes that are at the bottom of pages will change as needed (not addressed in this motion) d. The contents of the personal stories listed in front of the book will obviously change in listing and page number (not addressed in this motion) e. Content in any given story in the personal stories in the back of the book may not be changed once it has been in print in the book of Alcoholics Anonymous. Those people's stories are theirs and no one else has the right to question or change any of that. 2. The Twelve Steps and Twelve Traditions - (preserved in whole)	Trustees' Committee on Literature	Took No Action: The trustees' Literature Committee requested that the 2022 Conference Committee on Literature discuss changes to the text of the book, <i>Twelve Steps and Twelve Traditions</i> directed by the 71st General Service Conference.
41	9/11/21	That the publication of an English-to-English Plain Language translation of our basic text Alcoholics Anonymous be canceled. The committee requested that these observations inform a future progress report from the TABB subcommittee.

42	9/12/21	Proposal for a new pamphlet directed toward, and written by, Asian and Asian-American alcoholics in recovery. The stories contained in this proposed pamphlet will address the unique challenges faced by Asian and Asian-American alcoholics, and will describe the experience, strength, and hope of Asians and Asian-Americans who are now in recovery.	Trustees' Committee on Literature	Took No Action: Due to the overwhelming number of pamphlets currently in development or in revision, as well as the projects carried over from the 70th and 71st General Service Conference, new pamphlet requests cannot be addressed at this time.
43	9/14/21	Consider creating a virtual Area for virtual groups in the United States/Canada General Service Conference structure.	Trustees' Committee on the General Service Conference	Took No Action: Forwarded to the General Service Board to inform discussions of its ad hoc committee exploring additional ways for virtual groups to participate in the U.S./Canada general service structure.
44	9/15/21	Return the long form of each tradition to its original place in the back of the book "The 12 Steps and 12 Traditions".	Trustees' Committee on Literature	Took No Action: The current version of <i>Twelve Steps and Twelve Traditions</i> still includes the Long Form of each Tradition at the back of the book.
45	9/15/21	Establish and test virtual area(s) for the US and Canada online groups utilizing time zones rather than geographical locations. 46	9/12/21	Consider a request to recognize the Online International Groups (OIGs) and welcome these groups in the General Service Structure as outlined by a proposed diagram of this new structure.	Trustees' Committee on the General Service Conference	Took No Action: Forwarded to the General Service Board to inform discussions of its ad hoc committee exploring additional ways for virtual groups to participate in the U.S./Canada general service structure. There isn't a process to accept proposed agenda items from outside of the U.S./Canada service structure. The committee also noted there is not delegated authority for the U.S./Canada General Service Board to make decisions affecting groups on an international level.

Item	Date Received	Proposed Item	Reviewed by	Status
47	9/12/21	Commencing with the next General Service Conference, all delegate conference committee chairpersons will be elected by a Third Legacy procedure unless that Committee votes to proceed otherwise.	Trustees' Committee on the General Service Conference	Took No Action: Delegates have the option to elect chairs by Third Legacy procedure.
48	9/12/21	Suspension of the Instagram accounts for the AA Grapevine and AA La Viña.	A.A. Grapevine	Took No Action: Concerns expressed through an informed conscience leading up to and during the Grapevine Conference Committee's discussion at the 71st G.S.C., which then voted in favor of the accounts.
49	9/13/21	Discuss how we can encourage the growth and maintenance of a thriving and enduring AA General Service culture in our respective Areas.	Chair of trustees' Committee on the GSC, Director of Staff Services, Conference Staff	Not forwarded to the Conference: The proposal was forwarded to the GSO conference desk to be considered as a topic for themes, presentations and workshops for the 2023 General Service Conference.

Item	Date Received	Proposed Item	Reviewed by	Status
53	9/13/21	To send a worldwide request to the international AA fellowship, for an original work of not more than 40 words, to be used as a closing for the big meetings at the 2025 international convention.	Trustees' Committee on International Conventions/Regional Forums	Took No Action: The 2021 Conference Committee requested a survey of the Fellowship regarding the use of the Lord's prayer at the International Convention. The committee also noted that there are several known A.A. closings available, such as the Third Step prayer and the Seventh Step Prayer, and A.A.'s Declaration of Unity.
54	9/13/21	To insert the following paragraph into the pamphlet "Faith Leaders Ask about Alcoholics Anonymous": [Title] Are there other types of Spiritual Leaders who might Cooperate Effectively with A.A.? [Paragraph] There are numerous leaders, lay members and spiritual servants who are in a unique position to identify those who may be suffering from alcoholism, and can direct them to A.A. Included in this group are those who do not identify with specific religious affiliations. For example, Spiritual Directors and Pastoral Care Providers offer spiritual guidance, both one-on-one and within important institutions such as hospitals and prisons. Many spiritual care providers serve humanists, agnostics, and atheists. By any name, those who offer a solution based on spiritual growth can direct those they recognize and serve, who might suffer from alcoholism, to the spiritual program of Alcoholics Anonymous.	Trustees' Committee on C.P.C./Treatment & Accessibilities	Took No Action: The pamphlet has just been finalized and time is required for the pamphlet to reach groups and individuals and determine whether any revisions are needed.

No action was taken on a similar agenda item at the 71st General Service Conference. No new background information to support the proposal was provided.

Item	Date Received	Proposed Item	Reviewed by	Status
57	9/13/21	Consider this request to allow the Policy and Admissions Committee and allow subsequent approval of the Trustees General Service Conference Committee to approve visitors from other General Service Structures without full Conference approval if the request has already been vetted by the Policy and Admissions Committee and the Trustees General Service Conference Committee.	Trustees' Committee on the General Service Conference	Forwarded to the Conference
58	9/13/21	To maintain uniformity in our literature, a draft Introduction (similar to the Introduction found in the book, Twelve Steps and Twelve Traditions) be added to the front matter of the book, Alcoholics Anonymous be developed by the General Service Office's Publications Department and reviewed by the trustees' Literature Committee and brought back to the 2022 Conference Literature Committee for their consideration.	Trustees' Committee on Literature	Took No Action: The request was sent to the subcommittee on developing a draft of the 5th Edition of the book <i>Alcoholics Anonymous</i> for consideration.
59	9/13/21	That the language in Living Sober, Essay #12 (Getting Plenty of Rest) "Nobody has ever died of lack of sleep" be removed. Not only is that a misleading statement, but it is also not true.	Trustees' Committee on Literature	Forwarded to the Conference
60	9/13/21	Request for A.A. to develop an on-line membership survey to replace the random sampling survey currently in use.	Trustees' Committee on Public Information	Took No Action: There is a project underway for a professional survey methodologist, to conduct a focused review and analysis of the A.A. Membership Survey questionnaire content as well as the method to perform the triennial membership survey.
61	9/13/21	That G.S.O. consider adding a new Area to the service structure as a virtual-only Area for those groups that have no affiliate Area. This Area could include all virtual-only meetings/groups that would like to remain/become active in the General Service structure. This new Area would function completely as a virtual-only Area, having groups organized virtually. This new Area could elect a Delegate who is willing and able to attend GSO events and fulfill the responsibilities of an Area Delegate. After this proposal passes, this new virtual-only Area will have a vote at the General Service level. Once they are formed within the operating structure, decision of this area will be left to this Area.	Trustees' Committee on the General Service Conference	Took No Action: Forwarded to the General Service Board to inform discussions of its ad hoc committee exploring additional ways for virtual groups to participate in the U.S./Canada general service structure.
62	9/14/21	Consider accepting the attached versions of Twelve Step Checklist to complete the three legacies of Alcoholics Anonymous, following the format of the Traditions and Concepts checklists.	Chair of trustees' Committee on the GSC, Director of Staff Services, Conference Staff	Not forwarded to the Conference: The Proposed Agenda Item does not rise to the level of a policy decision needing Conference review or approval. The submission will be forwarded to the Group Services assignment at G.S.O., which has purview over service material.

Item	Date Received	Proposed Item	Reviewed by	Status
63	9/14/21	Make changes to our literature slowly. Our Primary Purpose should remain clear.	Trustees' Committee on Literature	Forwarded to the Conference
64	9/14/21	Request that the "Treatment and Accessibilities Committee" be changed to "Accessibilities and Treatment Committee".	Trustees' Committee on C.P.C./Treatment & Accessibilities	Took No Action: Changing the name would result in significant costs for updating A.A. literature items. There has not been widespread expressed need for this change.
65	9/14/21	The A.A.W.S. Board to create an Intergroup-Central Office Committee (IGCO) manned by a non-rotating staff member.	A.A. World Services	Took No Action: There are a number of non-rotating positions throughout GSO who are accountable to the IGCO offices, including the General Manager, Publishing Director, and the entire Member Services department. The GM structures the office with AAWS oversight. It was noted that while the Group Services coordinator does rotate, there are many benefits to rotation which are cited in Concepts IX and XI as well as in the A.A. Service Manual.
66	9/14/21	Consider creating a new pamphlet designed to inform A.A. members about General Service. This pamphlet will contain a list of service areas, adding topics for sharing in a general meeting, actions that members can take to be of service, and resources they can seek out. Also, this list will be made into a physical wheel, like a clock. Each month can represent a different service area. This wheel could be posted and turned as a visual aid. This can give a meeting a reason to talk about what else AA is and can possibly encourage members to get involved in new ways.	Trustees' Committee on Literature	Took No Action: Due to the overwhelming number of pamphlets currently in development or in revision, as well as the projects carried over from the 70th and 71st General Service Conference, new pamphlet requests cannot be addressed at this time.
67	9/14/21	Consider that revision to the literature (Big Book, Grapevine, etc.) be, 1) stories that are currently in "The African Americans in A.A." pamphlet, be submitted to the proposed 5th Edition of the Big Book, Alcoholics Anonymous, 2) the Grapevine will dedicate its February issue annually to the African American experience in A.A, including pictures of the meeting halls and, 3) that editing and selection of these submittals will include African Americans on the Selection Committee(s).	Trustees' Committee on Literature	Took No Action: The request was shared with the A.A. Grapevine Board and with the subcommittee on developing a draft of the 5th Edition of the book <i>Alcoholics Anonymous</i> to ensure inclusiveness. The committee agreed to consider forwarding old and new stories to the Grapevine editors for their review and possible consideration.

Item	Date Received	Proposed Item	Reviewed by	Status
68	9/14/21	Consider a change to the identification code for physically Accessible meetings in the meeting list to coincide with the International Symbol of Accessibility (ISA) (https://www.access-board.gov/ada/guides/guidance-on-the-isa/) known nationally and throughout the world. We believe this will aid to simplify and more easily identify meetings for members with disabilities and special needs regardless of language or national origin.	Trustees' Committee on C.P.C./Treatment & Accessibilities	Took No Action: There is no central authority to make changes across A.A. meeting lists. The committee considered the options to include information about the symbol in service material including the Accessibilities Workbook and "A.A. Guidelines: A.A. for All Alcoholics."
69	9/14/21	Consider developing a pamphlet on the Corrections Correspondence Service to include current and additional fellowship sharing on the value of Corrections Correspondence Service participation.	Trustees' Committee on Corrections	Took No Action: With the new C.C.S. database in its infancy, development of a pamphlet may not be the best avenue to raise awareness. The committee will monitor the impact of the C.C.S. database and assess the need accordingly. For now, the committee suggests utilization of AA Grapevine, Box 4-5-9 and What's New on aa.org to raise awareness.
70	9/13/21	Keep the pamphlet ("Faith Leaders Ask About Alcoholics Anonymous") wording as Clergy without any changes.	Trustees' Committee on C.P.C./Treatment & Accessibilities	Took No Action: The pamphlet has just been finalized and time is required for the pamphlet to reach groups and individuals and determine whether any revisions are needed.
71	8/18/21	That the following paragraph be restored in the story Freedom from Bondage in the 5th edition of the Big Book and if possible future printings of the 4th edition: " I looked around me at people who seemed happy and tried to analyze their happiness, and it seemed to me that without exception these people had something or somebody they loved very much. I didn't have the courage to love; I was not even sure I had the capacity. Fear of rejection and its ensuing pain were not to be risked, and I turned away from myself once more for the answer, this time to the drinks I had always refused before, and in alcohol I found a false courage. I wasn't afraid of anything or anybody after I learned about drinking, for it seemed right from the beginning that with liquor I could always retire to my little private world where nobody could get at me to hurt me." 72	9/12/21	Consider that the General Service Committee shall not change any literature, like the Preamble; commonly used in conducting an AA meeting without sending the proposed changes to the individual groups of A.A. first. The General Service Representatives are then responsible to present the motion to their group and send their group conscience to their Area Delegate before they vote.	Trustees' Committee on the General Service Conference	Took No Action: The current Conference process includes the opportunity for groups and members to participate with a voice and a vote on agenda items through their groups, districts, areas and various service gatherings.
73	9/14/21	Reconsider and nullify the Advisory Action of the 71 General Service Conference that states: "A draft version of the book, Alcoholics Anonymous (Fourth Edition), be translated into plain and simple language and be developed in a way that is accessible and relatable to as wide of an audience as possible and that a progress report or draft be brought back to the 2022 Conference Committee on Literature."	Trustees' Committee on Literature	Took No Action: Oversight of the development of the plain language book is within the scope of TABB subcommittee. The committee requested that these observations inform a future progress report from the TABB subcommittee.
74	9/14/21	As related to the 71st General Service Conference Advisory Action: "A draft version of the book, Alcoholics Anonymous (Fourth Edition), be translated into plain and simple language and be developed in a way that is accessible and relatable to as wide of an audience as possible and that a progress report or draft be brought back to the 2022 Conference Committee on Literature." The following points to be documented and brought back to the 73rd General Service Conference (2023), prior to a final draft being presented for consideration: 1. Indicate the intended use for the translation of the Fourth Edition Book, Alcoholics Anonymous. 2. Provide a firm definition of and the source utilized to determine: a) "Plain and Simple Language" b) "Accessible and Relatable" 3. Identification of what "audience" is considered as having been addressed and what measurements were used to determine accessibility and relatability with regard to the "audience". 4. Provide full transparency of both the process and communication flow that has been taken since the 71st General Service Conference voted to approve the Literature Committee Recommendation, and will be taken up to and, including the point of publication. 5. Will the entire 4th Edition Book, Alcoholics Anonymous, be translated into Plain and Simple Language?	Trustees' Committee on Literature	Took No Action: Oversight of the development of the plain language book is within the scope of TABB subcommittee. The committee requested that these observations inform a future progress report from the TABB subcommittee.
75	9/15/21	Change the phrase "person in custody" back to the original writing of "inmate" and "offender" in all A.A. literature and pamphlets. 76	9/15/21	That a disclaimer be added to the front of the book Twelve Steps and Twelve Traditions, as follows: "While the language in this text may seem dated, please remember that Bill W. wrote in the language and custom of his times. Bill was very tolerant of different individuals and members. All alcoholics were and are now welcomed cordially into AA. Were Bill to write this book today, it may be worded differently in some places. Society may change, but the basic spiritual principles of Alcoholics Anonymous are classic and eternal. We hope that this book continues to broaden and deepen the understanding of the Twelve Steps as written in the book Alcoholics Anonymous."	Trustees' Committee on Literature	Forwarded to the Conference
77	9/15/21	That any plain language book, workbook or study guide of the book Alcoholics Anonymous or Twelve Steps and Twelve Traditions do not contain in the title or book cover the words Alcoholics Anonymous or Big Book. The committee requested that these observations inform a future progress report from the TABB subcommittee.
78	9/15/21	Consider creating a new pamphlet designed to help C.P.C. reach as many doctors as possible. This pamphlet includes general statements about the alcoholic to the doctor, questions for the doctor, and possible actions to take. The pamphlet is only to be used fully, or partially, at the comfort level of the individual alcoholic.	Trustees' Committee on C.P.C./Treatment & Accessibilities	Forwarded to the Conference
79	9/15/21	Consider creating two new Non-Geographic Areas – one for the United States, and one for Canada – for the purpose of - but not limited to - the election of a Delegate by the GSRs from virtual meetings or groups in each of the new Areas to represent those meetings and groups at the General Service Conference and within the A.A. service structure as a whole."	Trustees' Committee on the General Service Conference	Took No Action: Forwarded to the General Service Board to inform discussions of its ad hoc committee exploring additional ways for virtual groups to participate in the U.S./Canada general service structure.
80	9/15/21	To maintain the integrity and historical accuracy of the publication Twelve Steps and Twelve Traditions, that all proposed changes be handled in footnotes rather than in a revision of the actual text.	Trustees' Committee on Literature	Forwarded to the Conference
81	9/15/21	Consider a request to develop an easy-to-read pamphlet with shared experience from members that struggle with learning disabilities and how they've worked the steps with their sponsees or sponsors. Autism, ADHD, Cognitive, Processing Disorders, Dyslexia, Dysphasia just to name a few.	Trustees' Committee on Literature	Took No Action: Due to the overwhelming number of pamphlets currently in development or in revision, as well as the projects carried over from the 70th and 71st General Service Conference, new pamphlet requests cannot be addressed at this time.

Trustees' Committee on the General Service Conference	Took No Action: The Equitable Distribution of Workload Process is in its initial phases of a three-year trial period as a result of a 2021 advisory action of the General Service Conference.
83	9/15/21	Rescind the 71st General Service Conference Advisory Action #33 which states: "The General Service Board form a committee to explore future possibilities for the participation of online groups in the U.S./Canada General Service structure."	Trustees' Committee on the General Service Conference	Took No Action: Forwarded to the General Service Board to inform discussions of its ad hoc committee exploring additional ways for virtual groups to participate in the U.S./Canada general service structure.
84	9/15/21	Rescind the 71st GSC Advisory Action #41 which says: "The compilation and printing of the A.A. Directories (Canada, Eastern U.S. and Western U.S.) be discontinued." 85	9/15/21	Consider that a Disclaimer be added to the front of the Big Book, as follows: "While the language in this text may seem dated, please remember that Bill W. wrote in the vernacular and custom of his times. No one was more tolerant of different individuals than Bill. All alcoholics, then as now, were - and are - welcomed cordially into AA. Our hope is that this book will continue to save the lives of the still suffering alcoholic."	Trustees' Committee on Literature	Took No Action: The request was forwarded to the subcommittee on developing a draft of the 5th Edition of the book <i>Alcoholics Anonymous</i> for their consideration.
86	9/15/21	That each Conference Floor Action motion be tempered by the status of the corresponding Conference Committee Agenda item. If a Floor Action motion is related to an agenda item that is contemporaneously being considered by a Conference Committee, that motion must be deferred until the respective committee makes a final decision on the agenda item. A Floor Action motion maybe raised on an agenda item that is being considered by a Conference committee when either the Committee decides not to make a recommendation on the item to the Conference, that item has been in Committee an extended period of time (e.g. three years), or that a committee is shown to be delinquent in its responsibility to consider an agenda item.	Trustees' Committee on the General Service Conference	Took No Action: The request is similar to the current practice of Floor Actions.
87	9/15/21	That each Conference Committee receive all comments, senses and positions that are determined and/or derived from every Conference Delegate Area conscience that discusses agenda items, for purposes of consideration, review, discussion, and decision to either recommend or not recommend action by the Conference on the respective agenda items.	Trustees' Committee on the General Service Conference	Took No Action: Mechanisms are already in place for collective sharing.

A.A. World Services	Took No Action: This item would potentially create distractions of money, property, and prestige based on who could or could not qualify for a different pricing model and that it would be difficult to identify eligibility for a 'special' pricing structure.
89	9/15/21	Consider revising the pamphlet "Do You Think You're Different?" (p-13) add new stories. This pamphlet was published in 2018, seeks to be inclusive of the population in the Canada/US structure. The stories reflect different backgrounds such as nationality, culture, religion, age and gender. However, this pamphlet does not cover all aspects of the different populations in our Canada/US structure. Our countries have a unique multicultural population with immigrants from Asia, the Middle East among many others. In addition, Canada has many different indigenous peoples as well. AA World Service Inc. to consider moving forward by adding new stories to be more inclusive of our diverse populations to demonstrate respect for all who come to AA meetings and carry the message for people who are missing. Adding additional new stories to this pamphlet will help our Canada/US multicultural population. To show our AA support and make a sense of belonging to them. Additionally, 80% for a passing vote would unduly limit the rights of the majority.
